Through his combined efforts as basketball coach and teacher, he has contributed much to the development of good sportsmanship and leadership in our school. We regard him as one of our best teachers, leaders, and friends.

DEDICATION

Elementary Principal

TO THE CLASS OF 1959:

More than ever before, this is the time of great need and of great opportunity. In this changing world of atomic energy and divergent political philosophies, there is an urgent need for capable and dependable leadership in science, in government and in human relations. The opportunity for learning and personal growth, for leadership and service is yours for the taking.

However, the numerous opportunities which challenge you require rigid preparation, keen vision, sincere effort and the will to succeed. For many of you, your achievements and splendid contributions here have already set the pattern and point the way to greater things. Your willingness to work, to sacrifice and to serve will determine your degree of success.

May The Eternal Power which guides and directs all who place their faith and trust in Him show you the way to success, peace and satisfaction.

Luther W. Low

C., for which we worked very hard to raise the necessary funds. To raise this money we held several dances, sold Christmas cards, presented the senior class play, and held bake sales.

Our class advisors are Mrs. Grace Gray and Mr. Norbert Borowicz.

The purpose of the Future Homemakers of America is for any student who is taking a homemaking course in her junior or senior high school years. The goal is to help individuals improve personal, family, and community living.

As projects for the year, the F.H.A. held two roller skating parties and a bake sale. We also sold earrings and pins and had an initiation party on October 8 and a Christmas party on December 17.

Eight of the members attended the farm show and presented a demonstration called "Toys for Toddlers." We held a Degrees program and a Mother-Daughter Banquet to present these degrees on April 11.

Future Farmers of America

AIMS AND PURPOSES

The Future Farmers of America is a national organization of, by, and for boys studying Vocational Agriculture in public secondary schools under the National Vocational Education Acts.

Among other things, members learn through active participation to conduct and take part in a public meeting, to speak in public, to buy and sell co-operatively, to solve their own problems, to finance themselves, and to assume civic responsibility.

The work of the F.F.A. is centered around a printed program of work which is adopted by the chapter each year.

This year for our demonstration, we chose the proper method of constructing a good, safe, electric fence. We placed 5th in a 5 county area and 3rd in state competition in our division.

The purpose of the Chess Club is to enable the youth to enjoy one of the world's treasured skills--chess. At each meeting the members played chess among themselves. The advisor, Mr. George Faddis, gave us problems to solve. The ambition of the club is to be able to compete in tournaments with other schools.

Future Teachers of America

The Future Teachers' movement grew out of the Horace Mann Centennial in 1937, when it was established by the NEA Assembly as a cooperative project of NEA and its affiliated state and local associations.

Our high school club is an organization in which the student may explore his own abilities and interests related to opportunities in teaching.

A good teacher requires physical vitality, mental vigor, moral discrimination, wholesome personality, helpfulness, knowledge, and leadership.

All students interested in teaching in grades 10, 11, and 12 may join the club. Carole Landowne is the treasurer and Patricia Kedrick is the secretary.

Visual education is a must for modern day education. Each student learns at a rapid rate and retains what he learns longer by use of audio-visual aids. The projectionist helps to make this possible with the part he has in this program. Each day he sets up the projectors for the day and runs them when necessary. With the help of the projectionists we have a large program in our school system. Our advisor is Mr. Harry Strong.

Wrestling is a new sport in our school this year. It is a creative sport which develops individual initiative, mental alertness, physical toughness, body control, courage, and physical efficiency. The competitive matches are divided into weight classifications which permit each individual to compete against an opponent of corresponding weight. The advisor is Mr. Blair Stewart.

Junior High Basketball Team

The Junior High team finished the season with an impressive nine wins and five losses. Our team also won section two honors in the Tri-County league. Our hopes for the league title were lost when we went against Wampum and found a strong section one rival. Junior High will lose through height to the Junior Varsity but will build a team around speed and ball handling for the coming year.

When the books close, and the last bell
rings,
And carefree days are lost to mundane
things--
When nostalgia strikes, and your memory
waned,
And you remember the faces but not the
names--
Pick up your yearbook and leaf it through,
And remember the days so dear to you.

Senior Play

The Senior Class Play, "The Night of January 16th," was a comedy which had the style of a court trial. The purpose of the case was to determine if Karen Andre had murdered Bjorn Faulkner, or if he had committed suicide. An unusual twist was added when the jury was selected from the audience.

No one knew the verdict until the jury announced its decision. The verdict was guilty, and Karen Andre was sentenced. Director of the play was Mrs. Margaret Hood. Student director was Fred Farri-
mond.

The Junior-Senior Prom was held on May 15, 1959 with "Mardi Gras" as the theme. Spotlighting the evening was the proclamation of the king, Willie Pierce and the queen, Georgia Chisholm. The king was crowned by the president of the junior class, Beverly Webb, and the queen was crowned by the vice-president, James Marquis. The king and queen reviewed the grand march led by the senior class president, Nancy Thomas and her escort Gerald Schmidt.
